

Quality Assurance Certificate

www.turtle tanks.com

Home Owner: _____ Installation Location: _____

Installation Date: _____ Certified Installer: _____

Turtle Tanks provides a 10 Year limited liability structural warranty on all concrete products manufactured by Turtle Tanks and installed by a certified installer. Liability is limited to repair or replacement of the product. Note: Unless otherwise marked, maximum recommended depth of bury for concrete products is 2 meters.

Home Owner's Guarantee: Please refer to the Quality Assurance section of our website; we will work with you and your installer to promptly resolve any problem you may have associated with our products.

Validated by: *Joni Ripley*

Notes on Quality Assurance Program

As an authorized distributor or installer of Turtle Tank products you may present a copy of this certificate for job estimates, quotes, and proposals.

You must agree to enter into mediation upon request.

You must notify Turtle Tanks of any change of ownership, address, or discontinuation of business.

You must agree to return any Turtle Tanks Certificates and Decals upon the request of Turtle Tanks.
