

Installer Certificate

Spidex All Terrain Excavating

www.Spidex.ca

This company meets all requirements to provide installation services for Turtle Tank products. Turtle Tanks provides a 10 Year limited liability structural warranty on all concrete products manufactured by Turtle Tanks and installed by our qualified installers. Liability is limited to repair or replacement of the product. Unless otherwise marked, maximum depth of bury for concrete products is 2 meters.

Terms and Conditions: An installer of Turtle Tank products may present a copy of this certificate for job estimates, quotes, and proposals. They agree to enter into mediation upon request. They must notify Turtle Tanks of any change of ownership, address, or discontinuation of business. They agree to return any Turtle Tanks Certificates and Decals upon the request of Turtle Tanks.
